

RE-OPENING PROCEDURES DURING COVID-19

PARENTS:

Thank you for choosing Royal Gymnastics. Safety is our primary concern. To help us to manage our re-opening guidelines, we ask all parents to follow our new procedures as outlined below. We understand that this is a change which may inconvenience some, however we can provide a safer environment by working together.

- 1) HEALTH HISTORY REVIEW and COVID-19 LIABILITY RELEASE FORM; Please read it, sign it, print it and bring it to our office. It is mandatory and without this form, your child will not be allowed to enter the building. If you do not have access to a printer, we will provide the form at the door of the gym.
- 2) Waiting area is CLOSED. Once children are checked in, parents must wait in their car or home until class concludes. Parents, guardians and siblings must avoid entering the facility, unless is necessary. If you must enter our facility, wear a mask, follow the marked foot traffic and abide by social distancing rules.
- 3) Drop-Off and Pick-Up will take place at our tent by the gym's entrance. Please abide by social distancing rules.
- 4) Temperature Check – with the use of a non-contact thermometer, student/staff temperatures will be taken and recorded. Any person with a temperature of 100.4 F or higher will not be permitted into the facility and must be released to their parent/guardian
- 4) Make sure your child is changed at home and ready for class with appropriate gym attire, enough water, hair ties, Band-Aids, etc.

STUDENTS:

- 1) Dress for class and use bathroom at home.
- 2) Be on time for class.
- 3) Use designated entrance and exit for entering and leaving the gym.
- 4) Avoid touching your face.
- 5) Coordinate your bathroom use with your coach and follow the gym's instruction.
- 6) Sanitize/Wash hands before and after class.
- 7) All children are encouraged to wear masks to the extent possible. It is only required upon arriving and leaving the gym.
- 8) Be respectful of the gym's new safety procedures and understand your role in maintaining safety guidelines for you and others.
